- Member of DePaul University's Cybersecurity club
- Network of 500+ students, alumni, faculty
- Attend meetings, workshops, networking events, and conferences related to cybersecurity

UPSILON PI EPSILON

2024 – Present

- Member of DePaul University's chapter of Upsilon Pi Epsilon (UPE)
- UPE is a nationally recognized honor society of computing and information disciplines
- Network of over 300 chapters, as well as a network of over 150 members, alumni, and faculty at DePaul

WORK EXPERIENCE

PANERA BREAD

Cashier/Front of House

Bridgeview, IL

Nov 2022 – Present

- Operated company POS system, taking customer orders, sending orders to the kitchen, and returning appropriate change
- Checked orders awaiting delivery, ensuring that each order had all correct items
- Helped run orders to cars the drive-thru team had pulled for efficiency
- Talked with customers at the front of the store, running coffee, cleaning tables, and ensuring customer experience was as expected
- Worked in a team-driven environment, helping fellow associates as needed

KOHL'S

Cashier/Amazon Returns

Countryside, IL

May 2022 – October 2022

- Operated company POS, rang merchandise, checked rewards and coupons, signed people up for company credit card
- Assisted customers returning an Amazon package through our return hub, catalogued items, issued return confirmation
- Folded and tagged merchandise, moved items in and out of storage, helped unload/load merchandise trucks
- Assisted fellow employees with various tasks in other departments as needed

ADDITIONAL

Programming Languages: Experience working in programming languages such as Java, Python, C, HTML, CSS through classwork and projects

Lab Work: Worked in Cisco Packet Tracer, creating networks using ACLs, NAT, VLANs, static/dynamic routing

Volunteering: Volunteered at Dr. Pedro Albizu Campos High School in Chicago tutoring Spanish speaking students working towards English Proficiency

Languages: English (Native Speaking)
